

Cityworks 2010 User Conference

May 17 – 19, 2010

The Dixie Center
St. George • Utah • USA

CALL FOR PAPERS

We invite you to submit an abstract for presentation at the **2010 Cityworks User Conference, The Dixie Center, St. George, Utah.**

Share your experience and expertise with Cityworks as many would like to hear your user case study, technical discussion or implementation overview. You're sure to benefit from the knowledge you share at this year's event.

Presentation space is limited!

For more information call
(801) 523-2751.

Categories for presentations:

Implementations and Case Studies

Implementations: These presentations focus on how your organization has implemented Cityworks – the process, tips and tricks, etc.

Case Studies: These presentations summarize how your organization uses Cityworks – assets you manage, unique uses and deployments, etc.

Twelve (12) slots available in each category.

Complimentary Conference Fee: For Cityworks Users (**one** per presentation)

Submittal guidelines –

Complete the Call for Papers submittal form and fax it to:
Kaye Ryser at 801-523-3734;
or mail to:
11075 South State, #24
Sandy, UT 84070
or email information on the form to: kryser@cityworks.com

We will contact you about your submittal.
Abstract: (250 words)
